2. Confirmation and Acceptance

The Purchase Order placed by the Purchaser shall only be considered accepted and a Contract concluded between the Parties if the Seller has confirmed acceptance of the Purchase Order in writing within 5

days of receipt of the Purchase Order. For the avoidance of doubt, these Conditions shall apply to and are expressly incorporated into the Contract and no varying terms and conditions stated by Seller in its written acceptance of the Purchase Order, including without limitation, those contained in any sale order or quotation or invoice or any other document of Seller shall become part of the Contract and be binding upon the Purchaser, unless it is specifically agreed to by an authorised representative of the Purchaser in writing.

- 2.2 This Purchase Order may be modified or canceled by Purchaser at any time prior to its receipt of written acceptance by Seller.

3. Price and Payment

- 3.1 All prices shall be as stated in the Contract. The prices are fixed and include delivery and all other charges, which include, but is not limited to, the costs of transport, insurance and packing. The prices shall not be adjusted save as provided for in these Conditions.
- 3.2 The Seller represents and warrants that the price charged for the Goods or Services is the lowest price charged by the Seller to buyers of a class similar to the Purchaser purchasing in quantities and under circumstances comparable to those specified in the Purchase Order.
- 3.3 All prices do not include goods and services tax ("GST") chargeable under the Goods and Services Tax Act (Chapter 117A of Singapore) which shall be added by the Seller at the rate and in the manner from time to time prescribed by law. The Purchaser shall only be responsible for GST provided the Seller has submitted appropriate information or documentation to allow the Purchaser to recover such taxes as appropriate. The Purchaser shall have no other or further liability to the Seller with respect to any tax, duty, levy or like imposition for which the Seller may be liable as a result of the supply of the Goods and/or Services. If the Purchaser is required to withhold any tax or charge pursuant to any applicable law or regulation, the Purchaser shall be entitled to withhold and deduct such tax or charge from the price before payment to the Seller.
- 3.4 Upon complete delivery of the Goods and/or Services in accordance with Clause 6 herein and due acceptance by Purchaser in writing, the Seller shall send to the Purchaser a detailed invoice stating the reference number for the Purchase Order of the Goods and/or Services.
- 3.5 Unless otherwise stated in the Purchase Order, payment term shall be ninety (90) days and shall commence from the time the Goods are delivered or Services are completed and the Seller's invoice is received by the Purchaser in accordance with Clause 3.4 above. Insofar as the Seller is required to provide material testing, test records or quality control documents or any other documentation, these requirements must be satisfied and are necessary preconditions for determining the completeness of delivery of Goods or performance of Services. The Purchaser shall be entitled to set off or withhold any payments to a reasonable extent for reasons of deficiency and the payment term shall commence after the complete rectification of any deficiency. Payment by Purchaser shall not imply an acceptance by the Purchaser that the Goods or Services supplied is in accordance with the Contract.
- 3.6 The Purchaser shall be entitled to set off against the price any other sums owed to the Purchaser by the Seller.

4. Purchase Orders & Variations

- 4.1 Without prejudice to Clause 16.1, the Purchaser may cancel the Purchase Order if the Seller has not confirmed acceptance of the Purchase Order in writing within 5 days of receipt of the Purchase Order.

4.2 If the Seller's confirmation varies from the Purchase Order, the Purchaser shall be bound thereby only if it agrees to such variation in writing. For the avoidance of doubt, neither the acceptance of delivery of the Goods or Services nor payments made shall constitute approval or agreement of any such variation.

4.3 Any variations to the Purchase Order shall only be effective if the Purchaser confirms such variations in writing.

4.4 If, at any time during the course of the Contract, the Purchaser wishes to vary the Goods and/or the Services ordered, it shall notify the Seller. Upon receipt of such notification, the Seller shall within 14 days provide a written statement of the amount of the following by which such variation would increase or decrease:

- (i) the dates, timescales or milestones; and
- (ii) the charges,

which have been agreed in the Contract, and such other information as the Purchaser may reasonably require.

4.5 The implementation of any variation to the Goods and/or Services shall be subject to the prior written agreement of the Parties. The Seller shall not undertake any such variations unless specifically instructed to do so by the Purchaser.

4.6 If any change directly affects the prices or delivery schedules of the Goods or Services, an equitable adjustment may be made provided that such equitable adjustment is documented in writing and signed by the authorised representative of each Party. If, after reasonable and good-faith efforts, the Parties are unable to agree upon the amount of the adjustment, the Purchaser may terminate, without any charge or liability, the Contract as to all the Goods and Services affected.

4.7 The Seller shall not, without the prior written consent of the Purchaser, make any process or design changes affecting the Goods.

5. Export Control and Foreign Trade Data Regulations

5.1 For all Goods to be delivered and Services to be provided according to this Contract, Seller shall comply with all applicable export control, customs and foreign trade regulations ("Foreign Trade Regulations") and shall obtain all necessary export licenses, unless Purchaser or any party other than Seller is required to apply for the export licenses pursuant to the applicable Foreign Trade Regulations.

5.2 Seller shall advise Purchaser in writing as early as possible, but not later than two weeks prior to the Delivery Date, of any information and data required by Purchaser to comply with all Foreign Trade Regulations for the Goods and Services applicable in the countries of export and import as well as re-export in case of resale. In any case Seller shall provide Purchaser for each Good and Service:

5.3 In case of any alterations to origin and/or characteristics of the Goods and Services and/or to the applicable Foreign Trade Regulations, Seller shall update the Export Control and Foreign Trade Data as early as possible but not later than two weeks prior to the Delivery Date. Seller shall be liable for any expenses and/or damage incurred by Purchaser due to the lack of or inaccuracy of said Export Control and Foreign Trade Data.

6. Delivery and Delays, Marked Goods, Title and Risk

6.1 The Goods and/or Services shall be delivered on the dates (the "Delivery Date") and at the rates and locations specified in the Contract. Delivery may be direct to the Purchaser's end user if so specified on the Purchase Order. The Purchaser may delay or alter such dates, rates and destinations upon giving the Seller reasonable notice in writing of such alterations.

6.2 Goods marked with any mark used or owned by the Purchaser or its customers shall not be disposed of to any third party or used by the Seller without the prior written consent of the Purchaser.

6.3 Any shipment terms quoted in relation to the delivery of the Goods shall be in accordance to Incoterms 2010 or its latest version as from time to time modified, supplemented or revised.

6.4 Time is of the essence in respect of the Contract Delivery Date. Failure to meet the Delivery Date specified on the Purchase Order shall constitute a breach of the Contract. The Seller shall give the Purchaser notice of any prospective failure to deliver the Goods or Services by the Delivery Date as soon as practicable. If only a portion of the Goods or a part of the Services can be delivered on the Delivery Date, the Seller shall deliver the available Goods or Services unless otherwise directed by the Purchaser. Partial deliveries shall be deemed late deliveries and be considered completed only when all the Goods or Services are delivered.

6.5 If the Seller fails to deliver the Goods or Services in accordance with the Contract, or fails to deliver by the Delivery Date, then the Seller shall pay to the Purchaser liquidated damages calculated at the rate of 0.1% of the price of the respective Purchase Order for each day of delay starting from the date of default until the date the Goods or Services are completely delivered or performed by the Seller, as the case may be. The Purchaser may, but shall not be bound to, deduct such liquidated damages, whether in whole or in part, from any moneys due from the Purchaser to the Seller under any Purchase Order.

6.6 Notwithstanding the above, if the Seller fails to deliver in accordance with the Contract, or if the Seller notifies the Purchaser of a prospective failure to deliver by the Delivery Date, the Purchaser reserves the right to cancel the Contract or any part of it without charge or liability and reserves all rights in damages and otherwise arising including but not limited to the right to purchase substitute Goods or Services elsewhere and to hold the Seller liable for any loss, expense or additional cost incurred thereby.

6.7 The Seller shall ensure that all Goods are marked in accordance with the provisions of the Contract and the instructions of the Purchaser. Goods shall be packed so as to reach places of delivery undamaged and in good condition. The Seller shall provide in respect of each consignment of Goods a packaging note detailing the Purchase Order number, description, code number (if any) and the quantity of Goods consigned. The information on the packaging note must tally with the Purchase Order.

6.8 The Seller warrants that it has good title to the Goods it is selling to the Purchaser. Without prejudice to any right of rejection to which the

- Purchaser may be entitled under Clauses 6 and 10, risk in and title to the Goods shall pass to the Purchaser upon receipt by the Purchaser at the destination specified in the Purchase Order. For deliveries with installation or commissioning and for Services, the transfer of risk to the Purchaser occurs upon written acceptance by the Purchaser. The Seller acknowledges that the Goods may be on-sold to an end user by the Purchaser and warrants that the Purchaser will be able to supply the end user with good title.
- 6.9 Clause 6.8 herein is without prejudice to Clause 8 in respect of any Software.

- 6.12 If transport of Goods and/or Services is performed by a carrier commissioned by the Purchaser, the Seller will inform the carrier of the necessary data concerning dangerous goods in accordance with legal requirements.
- 6.13 If the Purchaser informs the Seller that following the initial transport another transport with a different mode of transport is scheduled, the Seller will also comply with the relevant legal requirements concerning dangerous goods with regard to such on-going transport.

 - (iv) comply with the performance specifications in the Contract.
- 7.2 All Services supplied shall comply fully with the terms of the Contract and shall be executed in a proper and skilful manner by properly qualified and experienced personnel and conform to the best industry standards.
- 7.3 This Clause 7 shall include and apply to any replacement, repaired, substituted or remedial Goods or substituted or remedial Services provided by the Seller.
- 7.4 While on the Purchaser's or its customer's premises, the Seller shall abide by any written or verbal instructions in relation to safety and security issued by the Purchaser or its customer.
- 7.5 The Seller shall comply with all relevant statutes, rules and regulations and bye-laws affecting its obligations and the performance of the Contract.
- 8. Software Licences**
- 8.1 If the Goods and/or Services include Software, the Seller acknowledges that the Purchaser may be on-selling the same to its customers or end users and represents and warrants that it has good title to license the Software.
- 8.2 The Seller permits the Purchaser to market and resell the Software and any accompanying hardware either alone or as part of a package.
- 8.3 The Seller grants to the Purchaser a perpetual, worldwide, non-exclusive, no-charge, royalty-free, transferable, irrevocable licence:
- (i) to use and allow others to use the Software;
 - (ii) to sublicense the right of use under (i) above to any Related Corporations, other distributors and end users;
 - (iii) to grant a licence to Related Corporations and other distributors to sublicense the right of use to end users in accordance with (i) above;
 - (iv) to copy the Software for installation in hardware or to have such Software copied by Related Corporations or other distributors;
 - (v) to market and resell the Software and any accompanying hardware either alone or as part of a package; and
 - (vi) to reproduce and distribute copies of the Software in any medium, with or without modifications.
- 8.4 If the Software includes documentation, the Seller grants to the Purchaser a perpetual, worldwide, non-exclusive, no-charge, royalty-free, transferable, irrevocable licence to use, reproduce, distribute and prepare derivative works in the Purchaser's name in respect of all documentation furnished by the Seller. The Purchaser may reproduce such documentation without the Seller's logo or other identification of source, subject to affixing copyright notices to all copies of documentation and the Seller hereby waives and shall cause to be waived all applicable rights with respect to such documentation. These rights with respect to the Software and documentation shall extend to:
- (i) third parties to use and reproduce the Goods for the Purchaser's internal use; and
 - (ii) third party channels of distribution.
- 8.5 The Seller undertakes to supply the Purchaser with all updates of the Software and to allow the Purchaser to copy them to those of its customers who hold an original version.
- 8.6 The Seller shall provide the Purchaser with such technical advice, assistance, data and documentation, including source code where necessary, to enable the Purchaser to maintain the Software if it so wishes.
- 8.7 The Seller shall inform the Purchaser (no later than the time the Purchase Order is confirmed) whether the Goods and Services to be delivered contain Open Source Software. In the context of this provision "Open Source Software" means any software that is provided royalty-free by the respective licensor to any user on the basis of a license or another agreement with the right to modify and/or to distribute such software. By means of example and without limitation, such open license terms include the following licenses: the GNU General Public License (GPL), the GNU Lesser GPL (LGPL), the BSD License, the Apache License or the MIT License. Should the Goods and Services delivered by the Seller contain Open Source Software, the Seller must deliver the following to the Purchaser by no later than at the time the order is confirmed:
- (i) the source code of the relevant Open Source Software, insofar as the applicable open source conditions require the disclosure of this source code;

- (ii) a schedule of all open source files used, indicating the relevant license and including a copy of the complete text of such license; and
- (iii) a written declaration that through the intended use of the Open Source Software, neither the Goods of the Seller nor the Goods of the Purchaser will be subject to a Copyleft Effect. In the context of this provision, "Copyleft Effect" means that the provisions of the open source license require that certain of the Seller's Goods, as well as any Goods derived from these, may only be distributed further in accordance with the terms of the open source license e.g. only if the source code is disclosed.

Should the Seller indicate only after the time the order is confirmed that its Goods and Services contain Open Source Software, then the Purchaser is entitled to cancel the order within 14 days of becoming aware of the Goods and Services containing Open Source Software by reason of having received any of the information as set out in the above paragraph.

10. Inspection and Rejection

Such certificates must state the Purchase Order number together with any item numbers.
- 10.2 If the Goods and/or Services do not comply with the Contract the Purchaser shall within a reasonable time give notice of rejection to the

The Purchaser will inform the Seller before such steps are taken. If prior notification is not possible, steps necessary to avert damage may in urgent cases be taken without any notification and in these cases, the Purchaser shall notify the Seller as soon as possible afterwards. The Seller's representations and warranty obligations remain unaffected, except where defects are attributable to the steps taken by the Purchaser or a third party.

- 10.3 Unless otherwise specified or approved by the Purchaser, the Seller shall remove the Purchaser's name and any of the Purchaser's trademarks, trade names, insignia, part numbers, symbols or decorative designs from all Goods rejected or returned by the Purchaser or not sold or delivered to the Purchaser.
- 10.4 Any reference to "Seller" in this clause includes any subcontractor of the Seller permitted under Clause 21.2.
